**SOLD**

## **Mandingo £48950**

### **Jonathan Wilson 1997 - 60ft - Traditional Stern Narrowbeam boat lying at Mercia Marina**

Mandingo is a much admired traditional style narrowboat built by Jonathan Wilson. Construction is a massive 20.10.8.5 eliminating the need for ballast. The interior is beautifully crafted, fitted out in oak panels below and above the gunwales. A theme throughout the boat are the delicate painted inlay panels on all the cupboard doors. The attention to detail is everywhere to be seen on this boat.

The exterior paint work typifies the overall excellent condition of this craft.
