

The Eurocruiser

from 60 ft x 12 ft

The perfect combination of cruising and living all in one package

from £114,238 excl VAT

Rear Deck Area

The square cruiser stern is the perfect area for socialising whilst out cruising or when moored up. The wraparound rear seating area provides plenty of storage and comes with weatherproof, upholstered, removeable cushions. The boat can be steered by either the hydraulic wheel steering or conventional tiller. Further seating/storage is provided alongside the steering position. Plenty of options are available to add your personal touch to this area too.

Galley

The large galley offers contemporary styling combined with mod cons and ample storage alike. Granite worksurfaces are included as standard with 4-burner full sized hob with stainless steel oven and separate grill under. A household size stainless steel sink with monobloc tap, microwave and 12v fridge with freezer box are all standard supply.

Saloon

The saloon area is designed for freestanding furniture. A 32" flat screen TV is built into a under-gunwale unit. A solid fuel stove set in to a tiled hearth is centrally located on the forward saloon bulkhead with display units, shelving and storage on either side.

Bathroom

The spacious bathroom, with glass panelled hardwood doors, has a large corner shower which is fitted with a waterproof panelling system that provides a contemporary and watertight finish. A feature vanity unit has a hand basin resting on the granite worksurface. An electric macerator pump out is fitted as standard. All in all, a room that wouldn't be out of place in a modern day apartment.

Master Bedroom

The relaxing yet practical bedroom offers plenty of storage space, with a fixed double or king size bed with drawers under, bedside cabinets to both sides, full width mirrored wardrobes on the aft bulkhead, drawer unit opposite the foot of the bed and full height cupboards to either side of the glazed bow doors. There are ample 240v sockets in the bedroom as well as a TV aerial socket and reading lights over the head of the bed.

A second bedroom option can be fitted with a second double bed, wardrobe and dressing table or a single bed, wardrobes and a desk/study area.

Technical

Steel Specification

10/6/5/4

Engine & Gearbox

Canaline 60 4 cylinder diesel engine with twin alternators and PRM150 gearbox. Engine control panel with tachometer, water temperature, oil pressure and battery warning lights and multifunction LED display.

Heating & Hot Water System

In addition to the solid fuel stove in the saloon there is a Webasto diesel fired central heating system running three radiators and a heated towel rail as well as a 13 gallon calorifier for hot water. The twin coil calorifier is also connected to the engine circuit providing heat for hot water when running. Additionally a 1kw immersion heater is fitted to give hot water via shore power.

Electrics

The 240V system on board simply plugs in to the shore line providing power to the brushed stainless steel double sockets throughout the boat. When cruising, a Sterling 2500/70 pure sine wave inverter/charger ensures you are never without power.

3 x 110A domestic batteries, which are charged by a dedicated alternator, provide 12v power through the high quality, dedicated distribution panel which carries individual breakers for all the appliances, as well as voltage and amperage readouts.

There are also dedicated batteries for engine starting and the 95Kg Vetus bow thruster.

Interior Finish

The interior lining is of oak or ash faced ply with matching hardwood trims, complimented by tongue & groove effect ceiling. Interior woodwork is finished in a high-performance, water based, low VOC, clear acrylic which is extremely hardwearing, has minimal impact on the natural colour of the timber and is kinder to the environment.

Exterior Finish

Layers of high-performance primers and undercoats are applied to the craft before being painstakingly coach-painted in beautiful high-gloss marine enamel. For areas such as deck, roofs and gunwales non slip coating is applied.

Popular optional Extras

- Canaline 70 Engine with PRM260 gearbox
- Pram cover
- Cratch & cover
- Rear bimini with LED lighting
- Satellite TV (Manual or self seeking)
- Teak effect decking
