**Colecraft  
2018 - 60ft - Cruiser Stern  
Narrowbeam boat lying at Dunchurch Pools Marina**

Mayfly is a high quality cruiser stern narrowboat with steel work by the much respected Colecraft and a quality bespoke fitout by Yelvertoft Marine. The outside space has been maximised, the well deck area at the bow extends further than the average creating a very social area with seating either side. The stern of the boat is square creating a Euro cruiser style of boat which has seating either side. The boat from the inside is a reverse layout with the galley at the stern followed by a long saloon area with an extended seating area which will convert into sleeping for guests. There are 2 dinning tables on desmo legs. Next is the first of the 2 bedrooms followed by the off corridor bathroom. The second bedroom has a cross bed. This boat is very versatile with the ability to sleep 6 in comfort. The interior is of a high quality with a light and airy feel to it. Viewing recommended.
