**2004 - 58ft - Traditional Stern**  
**Narrowbeam boat lying at Droitwich Spa Marina**

Count is a well cared for traditional stern narrowboat built by quality builders Braidbar on a Tim Tyler shell. It goes without saying with a Braidbar boat that the quality of the wood work is to a very high standard with many features making it very homely and welcoming. Entering from the covered bow into the saloon through a pair glazed doors. The saloon has 2 leather chairs with footstools, TV cabinet and under gunwale book shelves. The walkthrough galley has plenty of under counter storage and work tops and a set of side doors opposite. Next follows a pullmans dinette, an ideal space for dining or sleeping for guests. The bathroom is off corridor and has a shower, sink in a vanity unit & wall hung cupboard. The bedroom has an extending bed, overhead cupboards and wardrobes. Owned for the past 18 years & now looking for a new owner to love and appreciate. Call now to book a viewing.
