Squeeze Box £48950

SOLD

South West Durham Steelcraft 2000 - 45ft - Cruiser Stern Narrowbeam boat lying at Droitwich Spa

Squeeze Box must be one of the cleanest boats I've viewed this year. The paintwork which was recently done looks as new and is reflective of the rest of the boat. At 45' this boat will go anywhere, but also due to enclosed front end has the internal space of a larger boat. Entering from the stern you step down into the saloon area which has cupboards and shelves either side of the stern doors. There is an L shape dinette area with a seating area opposite. The galley is a u shape with a good range of units and wall units. Appliances include a microwave. The bathroom is off corridor and has a hip bath with shower over, pumpout toilet and sink in a vanity unit. Going forward is the bedroom which takes up the full width of the boat and because the bow is enclosed makes this a very private room. There is storage under the bed, full length wardrobe and a set of side doors with storage steps.
