V&G Engineering 2007 - 40ft - Traditional Stern Narrowbeam boat lying at Mercia

Ragnald is a very clean 40' trad stern narrowboat, well proven as a weekend and extended holiday boat. From the bow you enter the saloon which has a multi fuel stove set in a fireplace. Under the gunwale on the port side is a TV cabinet with shelves either side. Seating on the opposite side pulls out to make a 4' wide double bed with storage under. A freestanding table makes a nice dining area. The bathroom has a sink in a vanity unit and toilet compartment with a cassette toilet and next to this is a shower compartment, with the toilet compartment door and shower compartment door open the bathroom becomes a full width of boat bathroom. At the stern is the galley which has a 12v Shoreline fridge and Caprice cooker. Survey from 2016. BSS 2028. Blacked 2023.
