T&T Marine

1998 - 50ft - Cruiser Stern

Narrowbeam boat lying at Mercia Marina

Buggerlugs was built by T&T Marine and at 50ft will do the whole system. Entering the boat via the cruiser stern is a utility area with a Aquamatic 4kg washing machine with a good amount of storage around. Next is the off corridor bathroom with floor to ceiling tiled shower, Sink on a mosaic vanity unit, Portaloo toilet and heated towel rail. The bedroom has a fixed double bed with storage under, overhead locker and draw space at the head of the bed. The galley has a eye level oven/grill, four burner hob, 240v fridge freezer, Microwave and a sink/drainer. The saloon is slightly different, first you have the main saloon with a Morso Squirrel solid fuel stove with back boiler, space for two chairs or small sofa and at the very bow of the boat you have the Pullmans dinette that stretches the width of the boat and also makes into a double bed. Reported Eberspacher is not working.
