Bliss £114950

Ovation Boat Services / Measham 2004 - 70ft - Traditional Stern Narrowbeam boat lying at Mercia

Bliss is a recreation by the well respected Ovation Boat Services. They have taken a 2004 shell built by Measham boat builders and created a new boat, starting with the hull being shot blasted, sides and bottom, then 2 packed to give ultimate protection. At 70' there is room for comfortable family living, or very comfortable cruising for two. The boat offers flexibility to change some of the living space if sleeping for 6 isn't a priority. Entering from long bow area, ideal for eating out, you enter the saloon with skylight above, followed by the galley, Pullmans dinette, master bedroom, walk through bathroom and finally the stern cabin which has 2 single berths which can be made into a double bed. There is a desmo leg and table so this room could be used as a 2nd dining area or office. The walk in wardrobe could as easily be used as a toilet compartment. Lovely boat, as new.

Printed on 30th June 2024

Bliss

CONSTRUCTION
