Tyler/Wilson/Braidbar
2005 - 57ft - Traditional Stern
Narrowbeam boat lying at Mercia

Mary A is a lovely example of a Braidbar boat that has been in the same ownership from new. It is evident that the owners have continued to maintain and upgrade at great expense, as demonstrated by the recent new professional paint job and double glazed windows. Braidbar boats are always sought after due to the high quality of the workmanship and materials, so wouldn't expect this example to be here long. The layout is traditional with a good size saloon at the bow, featuring a multi fuel stove, TV cabinet with book shelves extending off and 2 leather chairs with footstools. The galley has all the appliances you would expect as well as a wonderfully practical dresser unit. There next follows a pullmans dinette, followed by the bathroom and bedroom at the stern with a sky light over. This boat is presented in a lovely condition, with viewing highly recommended.

Printed on 27th July 2024
