Pelican £19950

Sagar Marine 1980 - 37ft - Traditional Stern Narrowbeam boat lying at Mercia

Pelican was built by Sagar Marine and is a great little boat requiring some finishing touches. Entering via the new cratch cover bow is the saloon which has a solid fuel stove, the rest of the room is open plan and a good space to put a sofa bed and other free standing furniture. The galley has a oven/grill with four burner hob, Argent sink with glass lid, Morco heater unit for your hot water all set around ample storage. Opposite is the bathroom with shower, portaloos all set around waterproof cladding. At the stern of the boat you have a Beta Marine cocooned engine and doors out to the Trad stern. This could be a great little starter boat that would do the whole system comfortably. Reported as base over plated, sides and bottom blacked 2018

Printed on 30th September 2024
