Peppercorn £46950

Alvechurch 1991 - 55ft - Semi-traditional Stern Narrowbeam boat lying at Droitwich Spa

Peppercorn was built by Alvechurch Boats and incorporates an Eco Bow, which the owner describes as fuel saving and as creating less wash. The interior is lovely, having a real cottage feel. In the saloon which is entered through stable doors, there is an L shape dinette which will convert into sleeping for guests, a multi fuel stove in a tiled fireplace with a TV cupboard opposite. The galley has a good range of floor and wall units, along with a Vanette oven and hob and 12v Shoreline fridge. The bathroom is off the passage way and has a macerator toilet, sink in a vanity unit and shower cubicle. The bedroom is at the stern and has a fixed double with storage under, wardrobe and overhead cupboard. The boat benefits from a recently installed engine, double glazing and a 16mm, original base plate and washing machine. This boat belies its age, really nice, well looked after boat.
