Steve Hudson

2005 - 62ft - Traditional Stern Narrowbeam boat - Outlying

Natasha is another fine traditional boat listed by us in the last 2 weeks. Natasha was built by one of the leading builders, renowned for their distinctive Josher style shape and high quality interior fitouts, a Hudson boat is one of the most recognizable boats on the cut. At 62' the proportions are excellent, giving good, comfortable living space. The layout is traditional with a good Saloon at the front, which also incorporates a Pullmans dinette which as well as being a great dining area, will also make into a double berth, making this a 4 berth boat. The Galley is well equipped and includes a washing machine, there is a Houdini hatch above. The Bathroom is a walk through, and has a shower cubicle, sink in a vanity unit and pumpout toilet. A good size Bedroom is at the stern, forward of the engine compartment. Spec includes-15mm bottom plate-Generator & washing machine.
