Milford Star £39950

Mike Heywood 1996 - 71ft - Traditional Stern Narrowbeam boat lying at Mercia

Milford Star was built in 1996 as a Cafe-Trip boat, the current owners bought her in 2020 and have ran it as a fixed cafe onsite here at Mercia for the last 3 years and only selling as they have now gone into a widebeam boat. She is set up as a 20 seater Cafe so could be used as a mobile Cafe/Tea Room with the correct license etc or based at a mooring site if you find one. There's a very good survey from 2020 when the current owners bought her, The Beta Marine 38hp diesel also has a 3.5kw Travepower generator ideal to run electrical items if being used as a mobile Cafe.

The Bowthruster is declared as not working.
